

Adventure Tunnel

Description

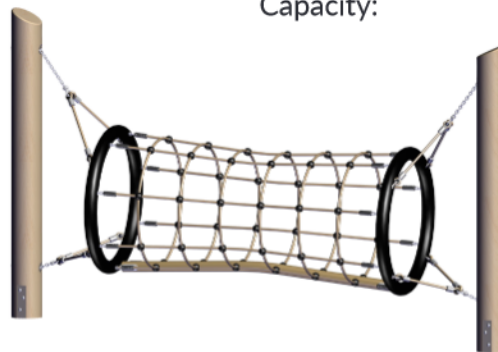

The NetPlay Adventure Tunnel gives children the feeling of being suspended while creating chances for creative play and exploration. Let imaginations go wild! Install alone or combine with other unique NetPlay structures to create a larger playscape.

Features

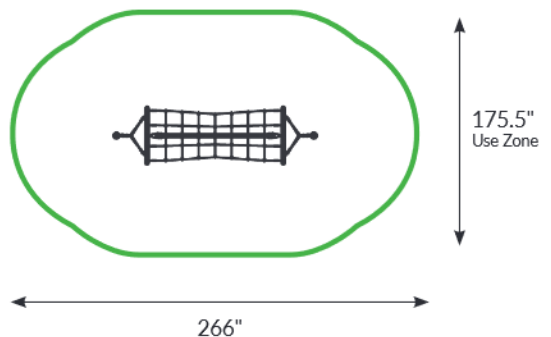

- Suspension from 4-inch diameter steel posts allows the tunnel to sway
- Constructed with Netform™, a steel-reinforced rope with a polyester braid comfort-grip surface, and high-alloyed knot clips
- Can be used as a free-standing element or part of an adventure course
